

CCD Activities Survey Grades K through 11

In the past years, there were regularly scheduled events for all students at various times in the year. These events were enjoyable social outings and helped to build a sense of community among our students and pride in our parish.

In more recent times, the attendance has dropped rather significantly. But we want to continue the opportunities to our children. Please check the events your child/children would be interested in attending; this is **NOT A COMMITMENT**. If you have any thoughts or suggestions about these social activities, please share them in the space provided at the end of the form.
