

POSSIBLE BUS TRIP

Fr. Aron was recently approached by a number of parishioners about a bus trip to visit historic churches. While these events have always been well attended in the past, the interest has waned in more recent times. Father is open to the possibility of hosting a tour this fall, provided an adequate number of people are interested. If you are interested (no commitment) in such a trip please complete the form below and place it in the collection basket or call the rectory. If thirty people express an interest Father Aron will pursue organizing a day trip open to anyone. If you enjoy incredible architecture, beautiful art, fascinating history, and great food please consider such a trip.
